On upper northern part of this sheet I mentioned how the street off the By Pass but also visible from the Bingley Road would be able to view this overview of new buildings

Ironically as BRADLEY FIELDS where the old Kendal Horse Racing is still noted is a Triple S I - SITE OF SPECIAL SCIENTIFIC INTEREST

How long will it remain so when there are bridges to carry dog walkers to and into it. Just a nice "serving" of a route for a walk. Aside from Spelling the Green field Approach to the Lake District.

M41KM IS AGAIN Outside the Existing Town Boundaries on Green Field Site to Kendal Town with Mature Vegetation. Present approach Stone used and

In future = leads to = Red Dashed Circle to denote going up to house from

ROMAN FORT

Not been completely discovered nor touched in many years. Could be bigger than thought as Watlog in the with Defence York Ingleborough Mildcliffe. See Roman vessels - long as well as short roads - (including forbs west coast) See notes on Kendal South East

Not particularly applicable site of Kendal Canal Works for purchase for restoration of Kendal Canal

end use too? Seeing placement of Circle = possible future building area.

Time AND THE AGAIN PASSED ACCEPTED BOUNDARY OF Snogg Wood Green Site Pally in Possible Flood Plain

These green fields on the right into Kendal. Look across green fields - once called Area of Outstanding Natural Beauty towards the unsplashed land South of Kendal upwards to the Eastern Hills that bring the town.
