To: Development Plans Manager

Dear Sir,

I note the updated Schedule of Main Modifications (5 April 2013) to the South Lakeland District Council Land Allocations DPD, with particular reference to the following policy modifications: MMOO1/1.6; 004/LA1.1; 005/Table 1A; 006/Table 1B; 0041/New 3.74A & 3.74B & 3.74C & 3.74D; 072/LA1.3 & LA1.10 & LA2.12.

I very much welcome the proposal by SLDC to work in partnership with Lancaster City Council, the relevant Parish Councils and the management of the Arnside & Silverdale Area of Outstanding Natural Beauty, to produce a new Local Plan for the AONB appropriate to its highest level of protection within the National Planning Policy Framework, preserving its important open spaces and greenfield sites, and delivering a solution for local housing and amenity on a scale consistent with local need, taking into account the views of the communities and their unique and special status within the AONB.

I look forward, in due course, to seeing details of the new Local Plan and the revised proposals.

Best regards,  
Ellen Bernfeld
