Reb CONSULTATION ON UPDATED SCHEDULE OF  
PROPOSED MODIFICATIONS TO LOCAL PLAN

MAIN MODIFICATION REFERENCE: MM 041

Dear Sir,

We note the Proposed Modifications proposed  
by SUDC to work in partnership with Lancaster City Council  
& other relevant groups.

We also note that there will be  
policies specifically for this Area of Outstanding  
Natural Beauty. In our opinion it is important  
that area is not derided by inappropriate planning.  
We are thus enthusiastic to support this  
improved proposal.
