Dear Mr Hudson

**SOUTH LAKELAND LOCAL DEVELOPMENT FRAMEWORK
LAND ALLOCATIONS DEVELOPMENT PLAN DOCUMENT (DPD)
Public Examination – Consultation on the updated Schedule of Proposed Main Modifications
to the DPD.**

Thank you for consulting us on the above which was received by Natural England on 5th April 2013. Natural England is a non-departmental public body. Our statutory purpose is to ensure that the natural environment is conserved, enhanced, and managed for the benefit of present and future generations, thereby contributing to sustainable development.

Natural England provided detailed comments on the South Lakeland Land Allocations DPD in a letter dated 11 April 2012, reference 47329 – South Lakeland Land Allocations DPD. These comments have been addressed in the Statement of Common Ground agreed between Natural England and South Lakeland District Council and appear to have been incorporated into the schedule of proposed main modifications to the DPD; as a result we have no further comments to make on the Land Allocations DPD.

If I can provide any further advice relating to this consultation, please do not hesitate to contact me. For all other correspondence, please contact the address above.

Yours sincerely
