Dear Sirs

## **Consultation on the updated Schedule of Proposed Main Modifications to the Local Plan Land Allocations DPD**

Arnside Parish Council notes the Main Modifications (MM041) proposed by South Lakeland District Council to work in partnership with Lancaster City Council, the relevant Parishes, the management of The Arnside & Silverdale Area of Outstanding Natural Beauty, and others to produce a new Local Plan for the AONB.

We also note that this will apply appropriate policies in this area specifically intended to get the correct balance between protection of its special landscape and other local needs such as housing provision and other amenities.

We believe that this will produce a much better plan than SLDC's previous version and therefore are in enthusiastic support of this new proposal. We look forward to hearing how we can support this process in practice.

Yours sincerely,

  
Rex H Abbott
