Dear Sir or Madam,

I am very concerned about SLDC's Land Allocation Development Plan and agree totally with the leaflet 'Do you want 1000+ vehicles here! All the points raised are relevant.

Especially noting all the traffic already using Main Street causing congestion. We came to Nerts Bank to be in the country, but already we are part of Gorge and now could be joining up with Althwaite and perhaps Flookburgh. There were 'green fields' in those days - what has happened to them - not to be built on.

Yours faithfully
