Dear Sir,

Re: Consultation on the updated Schedule of proposed Main Modifications to the Local Plan Land Allocations DPD

Main modification reference MM041

I note that the Main Modifications proposed by SLDC are to work in partnership with Lancaster CC, the AONB and all the relevant parishes to produce a new Local Plan for the AONB.

I also note that this will apply appropriate policies in the area specifically intended to get the correct balance between protection of its special landscape and other local needs such as housing provision and other amenities.

I believe that this will produce a much better plan than SLDC's previous version and therefore support this new proposal.

Yours faithfully,

Miss Dorothy Mitchell
