Do you support, oppose or support in part the suggested allocation or designation? (delete as appropriate)			
I <del>support</del> /do not support /support in part the <b>suggested</b> site allocation/designation for the following use(s) <del>Housing/employment/retail/community uses/open space/</del> other (specify).....			
Please explain your reasons (continue on a separate sheet/expand box if necessary)			
<p>I feel that if the site is developed then development will spread until there is no green space between Ulvinston &amp; Swarthmoor.</p> <p>I would like to support affordable housing with community amenities but do not trust developers to deliver this in the ways intended initially.</p>
