Your comments

after visiting your Consultation Event at Yealand
I was surprised to see Site W82. shown as a
possible development site. Part of the site is our
back garden i.e. belonging to No 182a Main St, &
part is back garden to cottages on Chapel Walk. The
remainder is "The Cedars," a large recently modernised,
detached house, with Garage & Coach house.
Obviously, I would object to any proposal, re-development
of this site.

Are there any topics or issues that you think we have missed or that you wish to raise?

We moved to Warton some 14 years ago. There were
very few parked cars along Main St, at that time.
Now they park nose to tail for the full length, even
on the bend near the Malt Shovel P.H.

Would it be possible to provide say three passing
places, with Double Yellow lines (enforced). This would
be a great help for buses, lorries & cars passing
through the village. There is plenty of parking off
Main St. for those cars displaced by these measures.
