Dear Mr McNeil,

### **Response to Consultation on Arnside and Silverdale AONB DPD**

Thank you for inviting Cumbria County Council to participate in the pre-publication consultation on the draft Arnside and Silverdale AONB Development Plan Document.

Please find attached our response to the consultation.

The County Council will continue to work closely with SLDC as the DPD is taken forward.

Should you have any further queries regarding the response please do not hesitate to contact us.

Yours faithfully

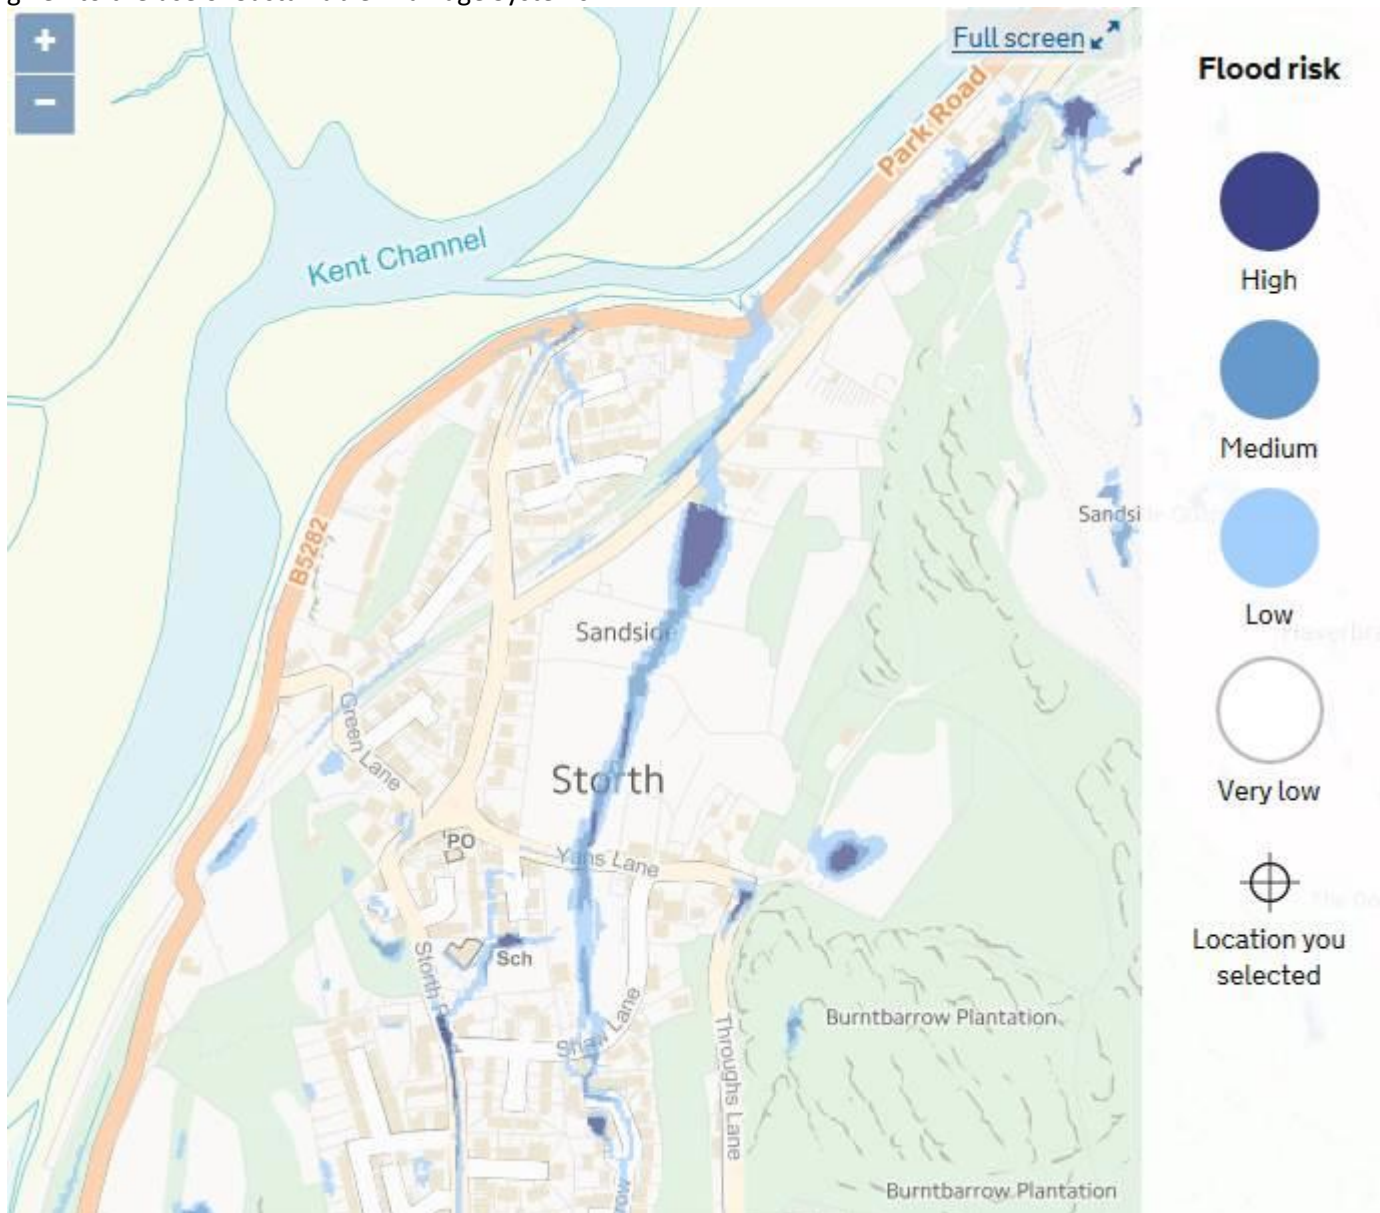

Angela Jones  
Assistant Director Economy and Environment

**Response to Pre-publication Consultation on Suggested Additional Allocation Sites  
- Arnside and Silverdale AONB Development Plan Document**

**Suggestion 2: Storth**

Access seems possible with some minor works needed both on Park Road and internal routes.

This site has been extended to include a large linear surface water feature as shown below and is almost certainly an unmapped watercourse. Previous comments are applicable. Priority must be given to the use of Sustainable Drainage Systems.

**Suggestion 3: Arnside**

Access improvements are needed to allow this site to be brought forward. The improvements needed will be the widening of Hollins Lane ( as well as the 2m footpath) to the two side road junctions.

No surface water flood issues identified. Priority must be given to the use of Sustainable Drainage Systems.
