## Comments about suggested site allocations (and other map designations)

Please use this form to comment on emerging options and other sites as they appear on the settlement maps. Please complete one of these sheets for every response you make.

Which site or allocation do you wish to comment on?			
Settlement (e.g. Natland)	Map Number (e.g. 11)	Site reference number (e.g. R62)	Other designation – If you want to comment on something that doesn't have a site reference (e.g. development boundary, town centre boundary, green gap) please describe it here
LAND SOUTH OF K SHOES NATLAND RD	MAP 1 4034	E31 M.	N/A.
Do you support, oppose or support in part the suggested allocation or designation? (delete as appropriate)			
I <del>support</del> /do not support / <del>support in part</del> the suggested site allocation/designation for the following use(s) Housing/employment/retail/community uses/open space/ other (specify).....			
Please explain your reasons (continue on a separate sheet/expand box if necessary)			
<p>I'm an elderly motorist using Natland Rd frequently. In several places between Gallowbarrow &amp; the roundabout there are cars, vans, parked on both sides of this road, this leaves insufficient room for 2 cars to pass each other. Quite frequently articulated big lorries use this road, making passing them very difficult.</p> <p>If the proposed 20 houses were built, presumably all would have one or even 2 cars, &amp; the traffic would be increased to an unacceptable level.</p> <p>I cannot understand why the stretch of road next to the grass &amp; river up to the roundabout is always FULL with parked cars every day!</p>
