PLOT B.76.

I am in total disagreement with your proposal for developing the area behind Hillcrest Drive for the following reasons:-

1. The road between Beetham and Slackhead – which is not well maintained – is busy enough in winter; in summer with the added traffic from the caravan sites and walkers it is even more difficult as the road is not built for passing traffic and drivers have to go into passing places all the time.
2. All households are not on the mains but have septic tanks.
3. In summer the water pressure is reduced, and in the past in very dry weather the water supply has been turned off from 9 a.m. to 5 p.m. each day. Additional housing in the area would increase the problems we are already experiencing.

It would be most inadvisable to increase the problems we have already by building houses on Plot B.76.
