Do you support or oppose this part of the document?

I support /do not support/~~support in part~~ this part of the document.

Please explain your reasons (continue on a separate sheet/expand box if necessary)

1) There is no allocated parking for two houses / given up when Marsh Gardens was developed. There is no provision for any on this document.

2) There is no screening mentioned for Manorside / Marsh Gardens from the new development of 40 houses.

3) There is no mention of the retention of the triangle garden green space in front of our homes on Manorside. We would want this to stay.

4) There is ~~no~~ specific reference to the poor drainage down Manorside both sewers and ran water would need attention for this development to go ahead.

5) There is no reference to relief from traffic, noise, nuisance, parking etc. as it will pass near to our house windows.

6) No real mention about child/teenage nuisance around Manorside + Marsh gardens

* Note the Land Allocations Document is the main document that includes the emerging site options and maps. It also includes proposals for open space and employment land designation, town centre and retail boundaries, green gaps and development boundaries.

7) possible loss of garden ground rented from council.

** Other documents include the Interim Consultation Statement, Appropriate Assessment Screening Report and the South Lakeland Gypsies, Travellers and Show People Accommodation Study (Final Draft).
