Subject: Objection to building on field west of brigsteer road by storey homes

Follow Up Flag: Follow up

Flag Status: Completed

Please register this e mail as my objection to the proposed building of houses on the field west of brigsteer road.

My understanding is that there is a proposal to build houses on this field which will spoil the whole feeling and atmosphere of Levens. Throughout my many years of visiting Levens the road above that field is used by most of the villagers for walking out where the views are spectacular. Also that field is viewed when looking over Levens from whitbarrow scar and if filled with houses would spoil the look of the village.

Regardless of the aesthetic view of the village it is incredulous that this plan even exists as houses for sale in the village are not selling so there is no requirement for further houses. Cheap housing in a village such as this is not required as people would be unable to access the services they require including health and shops.

I urgently request that this plan is abandoned to prevent the needless demise of a beautiful village that many visitors enjoy such as myself. If people stop visiting these beautiful villages the local economy will also suffer badly.

Thank you

Linda Burton
