Dear Sir/Madam

I am writing to inform you of my objection to the proposed development between Ulverston (urswick rd) and Swarthmoor(park rd). This land is productive agricultural land if I remember correctly this is green belt land. The effect to the area will cause a build up of traffic in the area to an already quite congested area. The drains in this area won't be able to cope with the extra load on them. This also goes for the proposed building of houses by the Lancastrian pub just off mountbarrow rd.

I think it has been very sneaky the way that SLDC has done this proposal behind everybodies back and on the quiet, but then again that is the way SLDC always does things.

I look forward to your response with great interest.

Gary Ullock
