Allithwaite Settlement - Site ref No RN79#

Support this site as there would be good access to and from the Main road that runs through the village. A row of housing could mirror the Quarry Lane houses.

Allithwaite Settlement - Site ref No RN265#

Support this site, again due to access to and from the main road.

Allithwaite Settlement - Site ref RN230#

Support this site, subject to road improvements (possible roundabout) at the junction to the main road running through the village

Whilst we appreciate you will receive this email after the deadline, we hope you will take note of same

With apologies
