## Land Allocations - Further Consultation

Please use this form to comment on:

1. Alternative sites put forward by respondents to the earlier Land Allocations consultation (January - April 2011);
2. Time span of the Land Allocations document
3. The approach to development in small villages, hamlets and the countryside.

**Please complete one of these sheets for every response you make.**

**(Please also note that comments made in earlier consultation need not be repeated.)**

### 1. Alternative Sites

Please let us have your views on alternative sites suggested by respondents to the previous consultation. (Please note, these are not SLDC suggestions.)

<b>Which site do you wish to comment on?</b>		
<b>Settlement</b> (e.g. Natland)	<b>Site reference number</b> (e.g. RN298#)	
Broughton in Furness	RN288#, RN289#	
Swarthmoor	R685SW, R686SW, RN105#, RN106#, RN242#, RN243#, RN315#, RN328#	
<b>Please indicate below whether you support, support in part or oppose the suggestion that this site be included in the Land Allocations document (please tick as appropriate)</b>		
Support <input type="checkbox"/>	Support in part <input type="checkbox"/>	Oppose <input checked="" type="checkbox"/>
<b>Please explain your reasons/add your comments below (continue on a separate sheet/expand box if necessary)</b>		
<p><b>Broughton in Furness Sites - RN288# &amp; RN289#</b></p> <p>Both sites are located away from the settlement boundary of Broughton in Furness. A total of 13ha of land has been suggested and, if this were allocated for housing, it could result in a substantial amount of unsustainable development in the open countryside.</p> <p>Development on this scale would undoubtedly put pressure on local services and could have a significant negative impact on the housing market in South Copeland i.e. Millom and Haverigg.</p>		
<p><b>Swarthmoor Sites - R685SW, R686SW, RN105#, RN106#, RN242#, RN243#, RN315#, RN328#</b></p> <p>The amount of land suggested adjacent to Swarthmoor amounts to roughly 28ha. If allocated for housing, development on this scale would put pressure on local services.</p> <p>Although much of the land is directly adjacent to the settlement it could be considered an inappropriately large amount of development for this location and could have a significant negative impact on the housing market in the Copeland settlements of Millom and Haverigg.</p>		

**2. Time Span of Land Allocations Document:**

Should the Land Allocations document plan period remain 2003 – 2025 or cover a shorter period, for example, 2003-2020?

<b>Please indicate whether you support, support in part or oppose a reduction in the time span of the Land Allocations document (please tick as appropriate)</b>		
Support <input type="checkbox"/>	Support in part <input type="checkbox"/>	Oppose <input type="checkbox"/>
<b>Please explain your reasons/add your comments below</b> (continue on a separate sheet/expand box if necessary)		

### **3. Small Villages, Hamlets & Open Countryside**

Do you think the future housing and employment land needs of small villages, hamlets and open countryside are best met by: -

- A. Allocating sites for houses and employment in the Land Allocations document; or
- B. Communities and/or developers bringing forward sites for housing and employment for consideration under relevant Core Strategy policies, through neighbourhood plans and/or other local initiatives.

<b>Please indicate which of the above options you would support.</b> (Please tick as appropriate)	
<b>A</b> <input type="checkbox"/>	<b>B</b> <input type="checkbox"/>
<b>Please explain your reasons/add your comments below</b> (continue on a separate sheet/expand box if necessary)	

**Thank you for your views and suggestions.**
