Dear Mr Hudson

Further to your letter dated 28th July, we have thought long and hard about the alternative sites and would support RN282 and R142 as these are on the outskirts of the village and would cause the least amount of traffic problems through the village.

We would be in favour of a shorter period until 2020 and feel that small villages and hamlets should be included.

We have made these views known to our Residents Group by way of a survey.

Yours sincerely

Mr P Jackson

Mrs S Jackson
