I would like to register an objection to site E19 (Ulverston South) eastern part of proposed M11M site off the A590.

Any development on this site would be unacceptable but most especially retail development which would create a hazardous amount of traffic emerging onto the A590 potentially 24 hours a day 7 days a week.

The A590 at this point narrows down to bypass the cottages at the Beehive - it is a blind corner and already a bottle neck any further traffic would be insupportable and dangerous.
