Land Allocations - Further Consultation

Please use this form to comment on:

1. Alternative sites put forward by respondents to the earlier Land Allocations consultation (January - April 2011);
2. Time span of the Land Allocations document

3. The approach to development in small villages, hamlets and the countryside.

Please complete one of these sheets for every response you make.

(Please also note that comments made in earlier consultation need not be repeated.)

1. Alternative Sites

Please let us have your views on alternative sites suggested by respondents to the previous consultation. (Please note, these are not SLDC suggestions.)

| Which site do you wish to comment on? | | |
|---|--|-------------------------|
| Settlement (e.g. Natland) | Site reference number (e.g. RN298#) | |
| Kendal | E31# and E4M# | |
| Please indicate below whether you support, support in part or oppose the suggestion that this site be included in the Land Allocations document (please tick as appropriate) | | |
| Support | Support in part | Oppose OPPOSE |
| Please explain your reasons/add your comments below (continue on a separate sheet/expand box if necessary) | | |
| <p>I object most strongly to site E31# being proposed for development, particularly if proposed as industrial or a football stadium. I do not feel it is appropriate for housing on this site either as it is remote from any facility in the town and would inevitably involve excessive urban car journeys.</p> <p>The latter grounds for objection also apply in respect of site E4M#.</p> <p>Both site would also add excess pressure on United Utilities sewer works ,</p> | | |

2. Time Span of Land Allocations Document:

Should the Land Allocations document plan period remain 2003 – 2025

or cover a shorter period, for example, 2003-2020?

| | | |
|---|-----------------|--------|
| Please indicate whether you support, support in part or oppose a reduction in the time span of the Land Allocations document (please tick as appropriate) | | |
| Support | Support in part | Oppose |
| Please explain your reasons/add your comments below (continue on a separate sheet/expand box if necessary) | | |
| | | |

3. Small Villages, Hamlets & Open Countryside

Do you think the future housing and employment land needs of small villages, hamlets and open countryside are best met by: -

- A. Allocating sites for houses and employment in the Land Allocations document; or
- B. Communities and/or developers bringing forward sites for housing and employment for consideration under relevant Core Strategy policies, through neighbourhood plans and/or other local initiatives.

Please indicate which of the above options you would support. (Please tick as appropriate)

A Support A

B

Please explain your reasons/add your comments below (continue on a separate sheet/expand box if necessary)

This should comply with an area wide strategy, not piecemeal as may suits developers

Thank you for your views and suggestions.
