To whom this may concern

We are a young family living in Kirkby Lonsdale and are concerned with the above proposal.

We have only heard recently about the proposals and are shocked.

The construction of a large number of new residences to the north of the town is going to create havoc

and we don't believe this is going to be safe for pedestrians. There are a number of retirement/nursing homes

with elderly residence aswell as a lot of young families with babies in prams, toddlers and older children who

are regularly exposed to the danger of the existing busy (and getting busier!) traffic.

We as a family and residents of Kirkby Lonsdale strongly oppose these new developments and ask for your consideration.

Yours faithfully

Simon and Rochelle Byron Keeler
