Please tick the box if you would like us to notify you when the Land Allocations Development Plan Document is submitted to the Secretary of State for independent examination and when it is adopted by the Council.

## Land Allocations - Further Consultation

Please use this form to comment on:

1. Alternative sites put forward by respondents to the earlier Land Allocations consultation (January - April 2011);
2. Time span of the Land Allocations document
3. The approach to development in small villages, hamlets and the countryside.

**Please complete one of these sheets for every response you make.**

**(Please also note that comments made in earlier consultation need not be repeated.)**

### **1. Alternative Sites**

Please let us have your views on alternative sites suggested by respondents to the previous consultation. (Please note, these are not SLDC suggestions.)

Which site do you wish to comment on?		
Settlement (e.g. Natland)	Site reference number (e.g. RN298#)	
Endmoor	M41M	
<b>Please indicate below whether you support, support in part or oppose the suggestion that this site be included in the Land Allocations document</b> (please tick as appropriate)		
Support <input type="checkbox"/>	Support in part <input checked="" type="checkbox"/>	Oppose <input type="checkbox"/>
<b>Please explain your reasons/add your comments below</b> (continue on a separate sheet/expand box if necessary)		
<p>Whilst I feel that the requirement for further housing land development outside of the current village footprint is unnecessary, I agree with the P Richard PC suggestion to amend this land to Housing and Open space, rather than the previous proposal of Housing and Mixed employment.</p>		

## 1 B Alternative Sites

Please let us have your views on alternative sites suggested by respondents to the previous consultation. (Please note, these are not SLDC suggestions.)

Which site do you wish to comment on?

<b>Please explain your reasons/add your comments below</b> (continue on a separate sheet/expand box if necessary)		
<p>I feel that the requirement for this proposal for employment land is wholly un-necessary and is proposed by a Housing company purely on the grounds that any additional employment may provide them with requirements for addition housing.</p> <p>This development would effectively join the villages of Endmoor and Gatebeck, providing a continuous corridor of development from the M6, almost through to Kendal outskirts.</p> <p>Such a large scale development is not required, with substantial brown field and empty commercial properties available elsewhere.</p>		

## 1 C Alternative Sites

Please let us have your views on alternative sites suggested by respondents to the previous consultation. (Please note, these are not SLDC suggestions.)

Which site do you wish to comment on?		
Settlement (e.g. Natland)	Site reference number (e.g. RN298#)	
Endmoor	RN285	
Please indicate below whether you support, support in part or oppose the suggestion that this site be included in the Land Allocations document (please tick as appropriate)		
Support <input type="checkbox"/>	Support in part <input type="checkbox"/>	Oppose <input checked="" type="checkbox"/>
Please explain your reasons/add your comments below (continue on a separate sheet/expand box if necessary)		
<p>I feel that the requirement for further housing land outside of the current village footprint is unnecessary. Development would dominate village and is not required.</p>
