Dear Sirs

R121M – land off Castle Green Lane and behind Rowan Tree Crescent and Oak Tree Road.

I am writing to indicate my continuing objections to development of this land. The land off Castle Green Lane and rising to the hill behind is an attractive and important open space which should be preserved in the interests of the character of this area. The revised proposals, which allow for an increase in the number of dwellings, would not assist in the preservation of the unspoilt nature of this land nor in the preservation of the bio-diversity of this area. The increased number of houses would add to the detriment to the amenities of existing houses and would add to potential traffic pollution and flood risk problems.

I shall be grateful if these comments and my previously lodged objections can be considered by the Council.

Yours faithfully

Joan Williams
