This response contains **5** pages including this one.

Please tick the box if you would like us to notify you when the Land Allocations Development Plan Document is submitted to the Secretary of State for independent examination and when it is adopted by the Council.

Which site do you wish to comment on?

Settlement

(e.g. Natland)

Kendal NE

Site reference number

(e.g. RN298#)

R124#

Please indicate below whether you support, support in part or oppose the suggestion that this site be included in the Land Allocations document (please tick as appropriate)

Support ☐

Support in part ☐

Oppose ☒

Please explain your reasons/add your comments below (continue on a separate sheet/expand box if necessary)

1. Increased flood risk. Potential drainage issues on this site have already been identified by the Council in the 'Area Strategies'. How can development of this site even be contemplated when £3.3m of taxpayers money has recently been spent on flood alleviation in this very area & the measures hailed as such a success.
2. The elevated site means the development would have a significant, adverse visual impact on a greenfield site.

**Please indicate whether you support, support in part or oppose a reduction in the time span of the Land Allocations document** (please tick as appropriate)
