Dear Sirs

Referring to Emerging Options Consultation we would like to make the following observations.

In accordance with SLDC own policy to small villages and hamlets also the expressed wishes of an extraordinary meeting called by Heversham Parish Council in late February 2011, we strongly approve of limited development only.

1. To this we add site RN316. With improved access and infrastructure.
2. Also R445 (a brown field site), to support no more than 6 dwellings.
3. Thereafter only infill and rounding off.

All other sites we do not believe are in the best interest of this community.

We steadfastly support the views of the group action of Mr. Peter Winter ((PKF), in his submission supporting the refusal to develop R48M and his alternative proposals.

Yours faithfully

John and Valerie Chew
