Land Allocations - Further Consultation

Please use this form to comment on:

1. Alternative sites put forward by respondents to the earlier Land Allocations consultation (January - April 2011);
2. Time span of the Land Allocations document
3. The approach to development in small villages, hamlets and the countryside.

Please complete one of these sheets for every response you make.

(Please also note that comments made in earlier consultation need not be repeated.)

1. Alternative Sites

Please let us have your views on alternative sites suggested by respondents to the previous consultation. (Please note, these are not SLDC suggestions.)

Which site do you wish to comment on?		
Settlement (e.g. Natland)	Site reference number (e.g. RN298#)	
LEVENS	EN45#	
Please indicate below whether you support, support in part or oppose the suggestion that this site be included in the Land Allocations document (please tick as appropriate)		
Support <input type="checkbox"/>	Support in part <input type="checkbox"/>	Oppose <input type="checkbox"/> YES
Please explain your reasons/add your comments below (continue on a separate sheet/expand box if necessary)		
<p>Site EN45 is on the proposed boundary of the extension to the LDNP and as such is an unsuitable location for further industrial development. The site is in a prominent position in the centre of the valley bottom in an essentially rural setting. The access road which links the village of Levens to Gilpin Bridge, is very narrow and liable to subsidence, and would be unsuitable for an increase in traffic. It is fringed by deep ditches and soft verges making passing hazardous. The area is liable to flooding which would lead to a pollution risk from any increase in commercial activity at this site.</p>		

2. Time Span of Land Allocations Document:

Should the Land Allocations document plan period remain 2003 – 2025 or cover a shorter period, for example, 2003-2020?

Please indicate whether you support, support in part or oppose a reduction in the time span of the Land Allocations document (please tick as appropriate)

3. Small Villages, Hamlets & Open Countryside

Do you think the future housing and employment land needs of small villages, hamlets and open countryside are best met by: -

- A. Allocating sites for houses and employment in the Land Allocations document; or
- B. Communities and/or developers bringing forward sites for housing and employment for consideration under relevant Core Strategy policies, through neighbourhood plans and/or other local initiatives.

Please indicate which of the above options you would support. (Please tick as appropriate)
