Land Allocations - Further Consultation

Please use this form to comment on:

1. Alternative sites put forward by respondents to the earlier Land Allocations consultation (January - April 2011);
2. Time span of the Land Allocations document
3. The approach to development in small villages, hamlets and the countryside.

Please complete one of these sheets for every response you make.

(Please also note that comments made in earlier consultation need not be repeated.)

1. Alternative Sites

Please let us have your views on alternative sites suggested by respondents to the previous consultation. (Please note, these are not SLDC suggestions.)

<p>My husband, Dr Julian Tower, and I came to "Grassgarth", Oxenholme Lane, Natland in 1990. He was a retired G.P. We met Anthony and Celia Wilson in 1990 who farmed Natland Park Farm. They assured us that their farmland was in the "Green Belt", and that their land was safe from being compulsory purchased as they had an entailment upon their land for four generations — presumably this still exists. I hope so.</p> <p>I can see no possible reason why there should be any more building of new estates, and a 50 strong car park around the back of Natland Vicarage. All these proposals put forward by Messrs Leonard Holmes, David Peters, and Guy Weller (car park) would ruin the charm of the village of Natland. People come to see the beautiful lake district — not a modern housing estate.</p> <p style="text-align: right;">JUNE TOWER.</p>		

2. Time Span of Land Allocations Document:

Should the Land Allocations document plan period remain 2003 – 2025 or cover a shorter period, for example, 2003-2020?

Please indicate whether you support, support in part or oppose a reduction in the timescale of the Land Allocations document (please tick as appropriate)

3. Small Villages, Hamlets & Open Countryside

Do you think the future housing and employment land needs of small villages, hamlets and open countryside are best met by: -

- A. Allocating sites for houses and employment in the Land Allocations document; or
- B. Communities and/or developers bringing forward sites for housing and employment for consideration under relevant Core Strategy policies, through neighbourhood plans and/or other local initiatives.

Please indicate which of the above options you would support. (Please tick as appropriate)
