## Land Allocations - Further Consultation

Please use this form to comment on:

1. Alternative sites put forward by respondents to the earlier Land Allocations consultation (January - April 2011);
2. Time span of the Land Allocations document
3. The approach to development in small villages, hamlets and the countryside.

Please complete one of these sheets for every response you make.

(Please also note that comments made in earlier consultation need not be repeated.)

### 1. Alternative Sites

Please let us have your views on alternative sites suggested by respondents to the previous consultation. (Please note, these are not SLDC suggestions.)

<p>The country road (Back Lane) concerned is eminently unsuitable for development.</p> <p>There is an important designated footpath crossing the area; used by locals and many visitors.</p> <p>There are other proposed developments in the village.</p> <p>The proposed site overlooks the cricket ground and other private properties.</p>		

Please complete one of these sheets for every response you make.

The size of this (ON56#) proposed development is completely out of keeping with the rural nature of the village of Sedgwick.

If access is considered via Coopers Hill this would be a retrograde step: dangerous in the extreme. It would also provide scope for further development along this narrow road.

## 2. Time Span of Land Allocations Document:

Should the Land Allocations document plan period remain 2003 – 2025 or cover a shorter period, for example, 2003-2020?

**Please indicate whether you support, support in part or oppose a reduction in the time span of the Land Allocations document (please tick as appropriate)**

3. **Small Villages, Hamlets & Open Countryside**

Do you think the future housing and employment land needs of small villages, hamlets and open countryside are best met by: -

- A. Allocating sites for houses and employment in the Land Allocations document; or
- B. Communities and/or developers bringing forward sites for housing and employment for consideration under relevant Core Strategy policies, through neighbourhood plans and/or other local initiatives.

<b>Please indicate which of the above options you would support. (Please tick as appropriate)</b>	
<b>A</b> <input type="checkbox"/>	<b>B</b> <input type="checkbox"/>

Thank you for your views and suggestions.
