Dear Sir,

I am writing to you about the house's which are proposed on land off Bingsber Road, this road is narrow in all its length. thro the village, This would be an outrageous eyesore on a Greenfield site. It would be a gross overdevelopment of a greenfield site so close to & be seen from the National Park. We have one shop, no proper Post Office & a half hearted bus service. Some houses yes. but not a housing estate are we going back to Wumpy styles estates put up. only to become ~~unseen~~, second homes that people cannot afford, I beg you to reconsider. Levens is a

village, + a big one at that
this many house's would
make it a town, but without
the roads, shops, bus service
it would spoil our village;
green spaces are the essence
of the lake district. Once
built over cannot be got back!

Yours Truly
