Land Allocations - Further Consultation

Please use this form to comment on:

1. Alternative sites put forward by respondents to the earlier Land Allocations consultation (January - April 2011);
2. Time span of the Land Allocations document
3. The approach to development in small villages, hamlets and the countryside.

Please complete one of these sheets for every response you make.

(Please also note that comments made in earlier consultation need not be repeated.)

1. Alternative Sites

Please let us have your views on alternative sites suggested by respondents to the previous consultation. (Please note, these are not SLDC suggestions.)

Which site do you wish to comment on?		
Settlement (e.g. Natland)	Site reference number (e.g. RN298#)	
Beckside RN 13 #	RN 13 #	
Please indicate below whether you support, support in part or oppose the suggestion that this site be included in the Land Allocations document (please tick as appropriate)		
Support <input type="checkbox"/>	Support in part <input type="checkbox"/>	Oppose <input checked="" type="checkbox"/>
Please explain your reasons/add your comments below (continue on a separate sheet/expand box if necessary)		
<p>The road through Beckside is already hazardous and over-used. Just above the proposed site it narrows to a mere 11'6" (138") at its widest part it is only 17'6" (206").</p> <p>This tract of land is the last remaining open space in Beckside.</p> <p>Houses here would simply bring more traffic congestion & more accidents.</p> <p>It is an important piece of ground for the local farmer.</p>		

2. Time Span of Land Allocations Document:

Should the Land Allocations document plan period remain 2003 – 2025 or cover a shorter period, for example, 2003-2020?

Please indicate whether you support, support in part or oppose a reduction in the time span of the Land Allocations document (please tick as appropriate)
