**4<sup>th</sup> September 2011**

**Dear Sir**

**Land Allocations Document reference RN302/ON50**

I have already written to you regarding Land Allocation reference R121M in my letter dated April 2011.

I now wish to object to the additional proposals under reference RN302 and ON50 with the following comments:-

The additional field will presumably result in even more houses which would increase the flood risk to the Stock Beck Scheme and cause greater harm to the bio-diversity of the area. The details of the flora and fauna in this wonderful area were detailed in my original objection.

The effect on the landscape would be even more prominent.

The whole of this area is already an Open Space that is enjoyed and loved by locals and visitors alike.

As in my previous letter I request that all this land is withdrawn from the Allocation of Land Document.

Yours faithfully

  
**Marilyn Salisbury**
