Dear Sir

Allocation of Land Document Reference RN302 and ON50

I have already objected to the original reference number R121M and wish to object to the additional references as shown above.

These proposals affect the whole area on the grounds of increased risk of flooding, damage to the landscape, give concerns re the bio-diversity of the area, increased risk of pollution due to more traffic to name but a few.

I ask that the developments in this whole area covered by R121M and the two shown above are withdrawn.

Yours faithfully

Mrs Nancy Wilson
