Development Stratedy Manager  
South Lakeland District Council  
South Lakeland House  
Lowther Street  
Kendal  
LA9 4DL.

Dear Sir/Madam.

**Re: Housing Development Proposal in Ulverston by South Lakeland District Council.**

We have grave concerns regarding the above developments. We understand that land RN284, RN321 and RN141 are under consideration for this build. We think that building in these positions will have a large detrimental effect on our business. Bardsea Leisure Park is the only holiday park in Ulverston and brings a considerable amount of business to the local economy. Tourists from all over the country and indeed from numerous countries abroad, use our facilities on the park. The caravan sales, workshop and accessory shop is also very successful. We employ thirty three people and have spent twenty seven years building up the business, which has a very high turnover.

The success of the holiday park has been acknowledged to be 'The Best Dealership' by the Times people Poll 2010. The toilet facilities have been recognised to be of the best in the park industry.

We think that the proposed development would be detrimental to Ulverston's tourist industry in general.

Should you require any further information please do not hesitate to contact us and if you wish we would be willing to make an appointment with one of your officers regarding this matter.

Yours Faithfully,

Gillian & Terry Varley.

Proprietors.
