Lanther Street

Kendal LA9 4DL

Dear Sir

Local Framework. Land Allocation

I refer to your letter of July 2011, and would ask you to take into account all previous comments I have made regarding Ackenthorpe proposals.

Akenthorpe is, or was, a HAMLET; much of the land previously suggested for development is either waterlogged or subject to flooding; any access off the Lancaster Road could cause problems, if any further traffic emerges on to it.

I apologise for my writing, but I have sight loss problems.

Yours faithfully
