

SLDC's Development Plan Review
SLDC
Kendal

Dear Sir

I wish to register my concern and objection to the size of the planned housing Scheme for Castle Ward, Kendal (Ulswater Rd to Oak Tree Rd areas). Having witnessed the severe flooding behind me, flooding at Rusland Park, and the Castle Park School areas I feel that the extent of the new proposals puts at risk all the work done previously under the Stock Beck Relief, and serious consideration should be given to limit the proposed building plans.

Yours faithfully

(MRS W. THOMAS)
