## Land Allocations - Further Consultation

Please use this form to comment on:

1. Alternative sites put forward by respondents to the earlier Land Allocations consultation (January - April 2011);
2. Time span of the Land Allocations document
3. The approach to development in small villages, hamlets and the countryside.

Please complete one of these sheets for every response you make.

(Please also note that comments made in earlier consultation need not be repeated.)

### 1. Alternative Sites

Please let us have your views on alternative sites suggested by respondents to the previous consultation. (Please note, these are not SLDC suggestions.)

Which site do you wish to comment on?		
Settlement (e.g. Natland)	Site reference number (e.g. RN298#)	
NATLAND	RN 298 # RN 303 #	
Please indicate below whether you support, support in part or oppose the suggestion that this site be included in the Land Allocations document (please tick as appropriate)		
Support <input type="checkbox"/>	Support in part <input type="checkbox"/>	Oppose <input checked="" type="checkbox"/>
Please explain your reasons/add your comments below (continue on a separate sheet/expand box if necessary)		
<p>RN 303 is a large meadow dividing the eastern edge of Natland village from the railway line and Oxenholme. Road access to any part of Natland is difficult, but particularly Oxenholme Lane and Helm Lane. Buses sometimes meet on the former. Any extra traffic to this site would only exacerbate the already existing problems.</p> <p>Natland has had enough new building in recent years, e.g. St Mark's Fold, Roman Gardens, Charles Fold. Any large development would remove its village status for ever.</p> <p>The Post Office is cited by some as a useful amenity. At present, maybe, but sub post offices are all at risk. Look at Selgrove, Crosthwaite, Kibbles in Kestel. Natland's could also disappear.</p> <p>MP Tim Farrow dismissed these points with encouraged me to send them in.</p>

### 3. Small Villages, Hamlets & Open Countryside

Do you think the future housing and employment land needs of small villages, hamlets and open countryside are best met by: -

- A. Allocating sites for houses and employment in the Land Allocations document; or
- B. Communities and/or developers bringing forward sites for housing and employment for consideration under relevant Core Strategy policies, through neighbourhood plans and/or other local initiatives.

**Please indicate which of the above options you would support. (Please tick as appropriate)**
