Dear Sir,

Ref; DH/60.12.43

With reference to your letter dated 28th July 2011:-

Alternative sites.

1. We do not agree that any of the alternative sites are suitable for development.
2. The site RN145 we consider to be the most suitable for any future development as it intrudes on a very limited number of properties.
3. We consider that the date of the land allocation document should remain at 2025.
4. Small villages and hamlets are being ruined by over development which renders them unsustainable.

Yours sincerely,

Val Holland

and

Dave Holland
