Land Allocations - Further Consultation

Please use this form to comment on:

1. Alternative sites put forward by respondents to the earlier Land Allocations consultation (January - April 2011);
2. Time span of the Land Allocations document
3. The approach to development in small villages, hamlets and the countryside.

Please complete one of these sheets for every response you make.

(Please also note that comments made in earlier consultation need not be repeated.)

1. Alternative Sites

Please let us have your views on alternative sites suggested by respondents to the previous consultation. (Please note, these are not SLDC suggestions.)

Settlement (e.g. Natland)	Site reference number (e.g. RN298#)	
NATLAND	RN 256 #	
Please indicate below whether you support, support in part or oppose the suggestion that this site be included in the Land Allocations document (please tick as appropriate)		
Support <input checked="" type="checkbox"/>	Support in part <input type="checkbox"/>	Oppose <input type="checkbox"/>
Please explain your reasons/add your comments below (continue on a separate sheet/expand box if necessary)		
<p>Natland desperately needs a CAR PARK!</p> <p>If one is built it is important to note that the path from car park to Village Hall should be well lit as it will be used most evenings - the hall being a very well used and busy place.</p> <p>• Double yellow lines could then be put round the village green - The tractors and the BUS could get round easily.</p> <p>• Perhaps the site could include some space for Allotments as there is a lot of interest in this - many people are looking for allotments.</p>		

3. Small Villages, Hamlets & Open Countryside

Do you think the future housing and employment land needs of small villages, hamlets and open countryside are best met by: -

- A. Allocating sites for houses and employment in the Land Allocations document; or
- B. Communities and/or developers bringing forward sites for housing and employment for consideration under relevant Core Strategy policies, through neighbourhood plans and/or other local initiatives.

Please indicate which of the above options you would support. (Please tick as appropriate)

Quite often the "locals" have better insight & knowledge - They must be listened to by their councillors.

Thank you for your views and suggestions.
