Land Allocations - Further Consultation

Please use this form to comment on:

1. Alternative sites put forward by respondents to the earlier Land Allocations consultation (January - April 2011);
2. Time span of the Land Allocations document
3. The approach to development in small villages, hamlets and the countryside.

Please complete one of these sheets for every response you make.

(Please also note that comments made in earlier consultation need not be repeated.)

1. Alternative Sites

Please let us have your views on alternative sites suggested by respondents to the previous consultation. (Please note, these are not SLDC suggestions.)

Which site do you wish to comment on?		
Settlement (e.g. Natland)	Site reference number (e.g. RN298#)	
Natland	RN298 RN303	
Please indicate below whether you support, support in part or oppose the suggestion that this site be included in the Land Allocations document (please tick as appropriate)		
Support ☐	Support in part ☐	Oppose ☒
Please explain your reasons/add your comments below (continue on a separate sheet/expand box if necessary)		
1) Vehicular access into village is not adequate. Oxenholme lane is busy currently - it has no passing places only residents drives. 2) 6 new developments have taken place in the village. 3) Planning permission for RN303 was refused some years ago and it was decided it should be a green gap. I trust this will be honoured now.		

2. Time Span of Land Allocations Document:

Should the Land Allocations document plan period remain 2003 – 2025 or cover a shorter period, for example, 2003-2020?

Please indicate whether you support, support in part or oppose a reduction in the timescale of the Land Allocations document (please tick as appropriate)

Better to take a long term view - how much will petrol cost - in 2025, will there be any buses? Kendal has few jobs to offer now.		

3. Small Villages, Hamlets & Open Countryside

Do you think the future housing and employment land needs of small villages, hamlets and open countryside are best met by: -

- A. Allocating sites for houses and employment in the Land Allocations document; or
- B. Communities and/or developers bringing forward sites for housing and employment for consideration under relevant Core Strategy policies, through neighbourhood plans and/or other local initiatives.

Please indicate which of the above options you would support. (Please tick as appropriate)

I would prefer <u>LOCAL</u> initiatives. SOUTH LAKELAND DISTRICT COUNCIL RECEIVED 23 AUG 2011 REVS & BENS	

Thank you for your views and suggestions.
