Land Allocations - Further Consultation

Please use this form to comment on:

1. Alternative sites put forward by respondents to the earlier Land Allocations consultation (January - April 2011);
2. Time span of the Land Allocations document
3. The approach to development in small villages, hamlets and the countryside.

Please complete one of these sheets for every response you make.

(Please also note that comments made in earlier consultation need not be repeated.)

1. Alternative Sites

Please let us have your views on alternative sites suggested by respondents to the previous consultation. (Please note, these are not SLDC suggestions.)

Which site do you wish to comment on?		
Settlement (e.g. Natland)	'BEE HIVE'	Site reference number (e.g. RN298#) M11M#
'BEE HIVE' ULVERSTON WEST		M11M#
Please indicate below whether you support, support in part or oppose the suggestion that this site be included in the Land Allocations document (please tick as appropriate)		
Support ☐	Support in part ☐	Oppose ☒
Please explain your reasons/add your comments below (continue on a separate sheet/expand box if necessary)		
There are 4 main reasons why we oppose the altered use of site M11M# 1. Green gaps. Any building on this site will greatly reduce the green gap between Ulverston and Swarthmoor, an issue specifically identified in Policy C2 ("Green Gaps") which states that development will not be permitted unless either <i>it is essential for needs of agriculture, forestry, local infrastructure or recreation and cannot be located elsewhere</i>, or <i>it does not cause significant harm to the open character of the green gap</i>. Development of M11M# for retail use does not meet either of these exceptions. The site represents about 70% of the green gap between Ulverston and Swarthmoor that is visible to the South on A590. 2. Need of community. The local community is well served with food retailers, with Booth's, The Co-op and Tesco plus other small outlets all within the town. In addition, the wider community in the Barrow peninsula is well supplied with major food stores, such as Asda, Tesco and Morrisons on the outskirts of Barrow. There is no need for such a development. 3. Effect on character of Ulverston. Ulverston is a small market-town. The establishment of superstores at both the western and eastern ends of the town on the A590 will lead to reduced entry into the town and utilisation of the diverse array of town centre shops. 4. Connection with A590. Access to the site will be difficult, especially leaving the site to turn east towards the town. A roundabout and/or traffic lights on the A590 will be essential but this will lead to tail-backs on the A590 in both directions further diminishing any apparent open space between Ulverston and Swarthmoor.		

2. Time Span of Land Allocations Document:

Should the Land Allocations document plan period remain 2003 – 2025 or cover a shorter period, for example, 2003-2020?

Please indicate whether you support, support in part or oppose a reduction in the time span of the Land Allocations document (please tick as appropriate)		
Support ☒	Support in part ☐	Oppose ☐
Please explain your reasons/add your comments below (continue on a separate sheet/expand box if necessary)		

3. Small Villages, Hamlets & Open Countryside

Do you think the future housing and employment land needs of small villages, hamlets and open countryside are best met by: -

- A. Allocating sites for houses and employment in the Land Allocations document; or
- B. Communities and/or developers bringing forward sites for housing and employment for consideration under relevant Core Strategy policies, through neighbourhood plans and/or other local initiatives.

Please indicate which of the above options you would support. (Please tick as appropriate)

A ☐

B ☐
