My Cottage of 24 years is located directly in front of **RN35#**. This cottage was a farm hands cottage for **TANLEY** the 'big house' at the top of the rise.

Aesthetic objection: The new developed site is directly in front of my cottage & aspect. It would destroy the peaceful setting & view of the property.

Resource objection: The land is prone to flooding. We have been flooded 4 times & usually the water table rises drastically. I have to regularly empty the Beck at the grid next to my house (put in in c 1997/8). The land is very wet & would not cope at all with extra residential development. Sewage is also a problem with The Old Grammar.
