R.E. Your ref: DH/60-12-43-SLDC LDF Land Allocations – Further Consultation

Dear Mr Hudson,

Reference your modifications to R141 (now referred to as RN302 & ON50). Having already given my objections to R121M, I now wish to point out that the new amendments proposed by Russell Armer (the builders who have a vested interest in developing this land) will further compound the problems already highlighted in my original consultation response to yourselves dated 23/03/11.

Yours sincerely,

Linda A. Tanfield
