I OBJECT TO THE PROPOSAL OF ANY HOUSES BEING BUILT ^{ON} R107M
 AT THE TOP OF KENDAL PARKS ROAD TO THE EAST BEHIND
 TEAL BECK-SWALLOW CLOSE-LINET GROVE AND NOS 253-277 VALLEY
 DRIVE. ON THE FOLLOWING GROUNDS

KENDAL PARKS ROAD IS THE ONLY ACCESS TO THIS SIGHT
 THIS WILL MEAN MORE TRAFFIC - APPROXIMATELY 100 CARS FROM
 62 HOUSES (BASED ON LOCAL CAR OWNERSHIP RATES) USING LOCAL ROADS.
 IN FACT IF R150M GOES AHEAD THIS WILL INCREASE TO 500 CARS
 IN TOTAL WITH 240 HOUSES ON R150M. - TOO MANY

THE WOODLAND "BLUEBELL WOOD" NEEDS PROTECTING FROM
 YET MORE HOUSES - WILD FLOWERS GROW IN THE FIELD. - DOCUMENTATION ^{TR} NEEDED.

NATLAND MILL BECK - HAS A HISTORY OF FLOODING AND RUNS
 THROUGH THE PROPOSED DEVELOPMENT - IT ALSO CONTAINS NATIVE
 CRAYFISH - DECLINING ALREADY WITH THE IMPACT OF NEARBY HOUSING
 DRAINAGE OF THE LAND RELIES ON SOAKAWAYS WHICH, IN SOME
 AREAS, ARE AT CAPACITY IN PERIODS OF EXTREMELY BAD WEATHER.

HOW WILL THIS SURFACE WATER "ESCAPE" WITH THE ADDITION OF
 MORE ROADS, HARD STANDINGS, PATHS ETC?

STRAIN ON LOCAL RE-SOURCES IE SCHOOLS, HOSPITAL. LOCAL SERVICES
 HOW WILL SEWERS COPE ETC.

THE PRIVACY OF THE RESIDENTS WILL BE LOST. THE LAND RISES
 STEEPLY TO THE RAILWAY LINE - YET ANOTHER POINT - AND HOUSES WILL
 BE OVERLOOKED. - NEW ONES BY AN ELECTRICITY PLYLON! -

ON THESE GROUNDS I OBJECT TO THE DEVELOPMENT OF R107M
