Subject: Land Allocation in Brigsteer

Dear Sir or Madam,

I'm emailing to state my support of site RN213 as a site for a small scale housing development of say no more than 7 or 8 houses, with a third being affordable, and the others cross subsidising these.

In addition could I state that the designation of the site RN 214 as a Rural Exception site does not have my full support. It seems to me that a mixture of affordable and houses at market prices is the most sustainable mixture.

Yours

John Griffiths,
