Dear Sirs,

**Arnside and Silverdale AONB Development Plan Document Draft Plan Consultation**

Historic England is the Government's statutory adviser on all matters relating to the historic environment in England. We are a non-departmental public body established under the National Heritage Act 1983 and sponsored by the Department for Culture, Media and Sport (DCMS). We champion and protect England's historic places, providing expert advice to local planning authorities, developers, owners and communities to help ensure our historic environment is properly understood, enjoyed and cared for.

Thank you for consulting Historic England on the above document. We note the amendments made to sections such as the Vision to take into account previous consultation. At this stage we have no comments to make on its content.

If you have any queries about any of this matter or would like to discuss anything further, please do not hesitate to contact me.

Yours sincerely,

**Karl Creaser**
