Do you support, oppose or support in part the suggested allocation or designation? (delete as appropriate)			
I <del>support</del> /do not support /support in part the suggested site allocation/designation for the following use(s) <del>Housing/employment/retail/community uses/open space/</del> other (specify).....			
Please explain your reasons (continue on a separate sheet/expand box if necessary)			
<p>This site is not suitable as all the drains from adjoining properties go across this land. Also the piece of land is very small for any building to be built there. We propose if any more units etc should be built along side the existing ones on the side of the A6.</p>
