Dear Sir or Madam,

We wish to take this opportunity to confirm our continued support of the development of area MN6 close to the Beehive Cottages, Ulverston. We note that this was to be part of a mixed development and feel that, given the proximity of existing properties, this area would be ideally suited to housing. It could also be used to greatly improve safety in the area by moving access to the A590 from the existing properties, on a blind corner, to a position towards Barrow, at the top of the rise.

Yours Sincerely

R.F. & C.E. Hodgson
