Consultation Response Form

Please use this form to comment on the Draft AONB DPD, the Draft SA Report and Draft Habitats Regulations Report.

Please make very clear which policy or site proposal each of your comments relates to (including policy or site reference numbers):

Site B81 - not suitable for housing - more applicable for hotel eg
Travelodge. Any light industrial should be confined to Quarry
Lane

If you don't proceed quickly with developing this site then
there is a great danger that it will be occupied by
'travellers'.
