Comments about suggested site allocations (and other map designations)

Please use this form to comment on emerging options and other sites as they appear on the settlement maps. Please complete one of these sheets for every response you make.

Which site or allocation do you wish to comment on?			
Settlement (e.g. Natland)	Map Number (e.g. 11)	Site reference number (e.g. R62)	Other designation – If you want to comment on something that doesn't have a site reference (e.g. development boundary, town centre boundary, green gap) please describe it here
LAND SOUTH OF K. SHOES NATLAND RD	MAP 1 496	E431H	N/A.
Do you support, oppose or support in part the suggested allocation or designation? (delete as appropriate)			
I support / do not support / support in part the suggested site allocation/designation for the following use(s) Housing/employment/retail/community uses/open space/ other (specify).....			
Please explain your reasons (continue on a separate sheet/expand box if necessary)			
<p>1. I have no objection to houses being built by the river on Natland Road.</p> <p>2. If this building goes ahead something needs to be done urgently regarding the access and exit from the proposed site.</p> <p>3. The exit from Gallowbarrow is to say the least dangerous as it is blind owing to a dip in the road to the left, and traffic coming from the right often come at more than 30 miles per hour to have maybe another 20-30 cars coming out of the proposed site would be a further hazard.</p>
