Draft Development Plan Document (DPD) Consultation

Consultation Response Form

Please use this form to comment on the Draft AONB DPD, the Draft SA Report and Draft Habitats Regulations Report.

Please make very clear which policy or site proposal each of your comments relates to (including policy or site reference numbers):

SITES A6 & A11 : Should be concentrated as 'low-cost' housing. It is surely not a good idea to have developments with older people mixed with possibly noisy families with children.

SITE A15 : It is pleasing to note that this site is no longer designated for housing. It is a 'green lung' for the area. (Often very wet)

(Continue on a separate sheet if required)

Are there any other topics or issues that you wish to raise?

Parking near the railway station is essential. Use of a small strip of station field could be considered. Station Yard could be utilised for both small workshops & parking.

(Continue on a separate sheet if required)

Do you have any comments to make on the Draft Sustainability Appraisal Report or Habitats Regulations Report associated with the Draft DPD?

As one of the many long-term residents of Arnside I am wholeheartedly behind keeping the AONB as unspoilt as ever. I have known the area well for over 80 yrs.
